To,

THE RESOLUTION PROFESSIONAL,
WINSOME YARN LIMITED

(A Company under Corporate Insolvency Resolution Process vide NCLT order)

- We have reviewed the accompanying statement of standalone unaudited financial result ("the statement") of WINSOME YARN LIMITED ("the company" under the CIRP process), for quarter ended 30th June,2024 being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
- 2. The Hon'ble National Company Law Tribunal ("NCLT"), Chandigarh Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by an operational creditor of Winsome Yarn Ltd ("the Company") and appointed Mr. Sanjay Gupta (IBBI Registration No .IBBI/IPA-002/IP-N00982-C01/2017-2018/10354, as Interim Resolution Professional ("IRP"), in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code") to manage the affairs of the Company vide CP (IB) No. 291/Chd /Chd /2018 dated 22 December,2023. Further Hon'ble National Company Law Tribunal ("NCLT"), Chandigarh Bench, vide order dated 14.03.2024 appointed M/s ARCK Resolution Professionals LLP having IBBI Registration No. IBBI/IPE-0030/IPA-1/2022-23/50013 as the new RP of Winsome Yarns Ltd.

In view of pendency of the CIRP, and in view of suspension of the powers of Board of Directors and as explained to us, the powers of adoption of the Standalone Financial Results for the Quarter ended 30th June, 2024 vest with the RP.

This statement which is the responsibility of company's management, directors and RP and approved by company's management, directors and RP, has been prepared in accordance with the recognition and measurement principles 'laid down in Indian Accounting Standard 34, "Interim financial reporting" ("Ind AS 34"), prescribed under

section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountant of India (ICAI). A review of Interim financial information consists of making inquiries, primarily of the company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing specified under section 143(10) of the companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

3 (a) Basis of Qualified Conclusion

- In view of accumulated losses of the Company as at the end of quarter 30th June 2024 the net worth of the Company as at that date being negative, continuous losses, negative cash flows, due to financial constraints and non-deposit of statutory dues on time. The company has made a default in repayment of principal and interest against the facilities sanctioned by bank and company has gone into insolvency and bankruptcy code 2016 ("the Code") under interim resolution process dated 22.12.2023 vide order no CP (IB) No. 291/Chd /Chd /2018 which raises Significant concern over going concern ability of company. The management and the Resolution Professional (RP) of the Company have prepared the financial statements on a going concern basis, as explained in Note No. 5 and 6 of the standalone financial results. However, if the underlying assumptions of the going concern basis do not hold true, adjustments may be required to reflect the realizable values of assets and liabilities. Since the impact of such adjustments has not been determined, we are unable to comment on the possible impact of this adjustments in the standalone financial results for the quarter ended 30th June, 2024.
- II. The unaudited standalone financial result for the quarter ended on 30th June,2024 are understated due to:
 - a. Non-provisioning of interest expenses, on borrowings, of Rs 6207.51 Lakhs for quarter ended on 30th June,2024 (of Rs 5364.37 Lakhs for quarter ended on 30th June,2023) and further amount towards penal interest, penalty, etc. as may be charged by the lenders. In the absence of statement of account, the above amount has been arrived at as per estimates of the Company, and the aggregate

unprovided amount in books of account of the Company is not ascertainable with accuracy.

- b. Non-provisioning against long outstanding receivables of Rs. 130.56 Lakhs which is overdue for more than 365 days. Further Re-instatement of few debtors, advance from customers, creditors for export, etc. on exchange fluctuation is not recognized in line with Ind AS 21 "The Effects of changes in Foreign Exchange Rates" the effect of which we are unable to comment.
- III. The Internal Control Systems need to be further strengthened in order that they are commensurate with the size of the Company and the nature of its business, more particularly in areas of, purchases and consumption of materials, charging of expenses, set-off of balances, and invoicing of sale of goods and services.
- IV. Confirmation of balances and reconciliation thereof with respective parties are pending, which include balances pertaining to, accounts receivable and accounts payable, bank balances (including FDR), other current assets, advance for leasing, security deposit, secured loans, other liabilities, provisions, and contingent liabilities. All balances have been certified by the management of the Company. In the absence of the Company having aforementioned details and confirmations, the impact thereof is unascertainable, and therefore, not being commented. Further strengthening of internal controls by the Company will provide greater reliability.
- V. As per the information given to us, the carrying value of investments have not been marked to realisable value, which if accounted would result in Investments reducing by Rs. 2568 Lakhs and Loss of the quarter and 3 months ended 30.06.2024 increasing by Rs. 2568 Lakhs.

4. Qualified Conclusion

Based on our review conducted as above, except in "Basis of Qualified Conclusion" paragraph mentioned in para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement unaudited financial results prepared in accordance with applicable accounting standard and other recognized accounting practices and policies has not disclosed the information required to be disclosed in term of regulation 33 of the SEBI (Listing obligation and disclosure requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contain any material misstatement.
